### POLITICAL POINTERS.

Bayrish gold, drawn from Morton's London bank is relied mon to buy Lodona for Harrison,—St. Louis Re-public.

WEEREIN does Barnum differ from Harrison? One has the 'g estest show on earth" and the other no show at all.

UNNECESSARY EXACTION is unjust taxation and unjust taxation is a robbery of those taxed. The Transmy is over-flowing and in the taxe of this fact, the Republican party proposes to continue the burdensome taxes which draw unnecessarily from the people.—Philatic lights Herald.

#### Horticulture for Women. There is a constantly increasing class

of out door workers among women, who become such because of a better understanding of the laws of health and a necessity for out door exercise. Some of these are content to follow in

the beaten path, procure a few sceda on earth and the other no show at all.

—Saginaw Courier.

It weems to be virtually settled that the Democrats will renominate Governor Fill, and if they do Cleveland and Hill will curry New York by 35,000 plurality.—St. Louis Republic.

"We have a rattling platform," says Mr. Depew. Yes and by the time Thurman, Bock. Voorhees and other Democrate stalwarts hit it a few of their sledge hammer blow it will rattle worse than it does now.—Forth Worth Gazette.

The Republicans propose to assess the coal carons for the curpose of rais increase and increasing from the transplant in man. The orice is coal has just been advanced 25 cents a ton. Curse—Republican necessity; effect—the people are taxed to assist it—Boston Globe.

Betwa Lockwoop is a generous woman. She s yes is she is elected she intends to put Cleveland on the superior man.—Dallas News.

Methods of propagation by budding and grafting, the starting of difficult seeds, the laws by which the increase of many plants is governed, and general botanical knowledge are seeded, the laws by which the increase of many plants is governed, and general botanical knowledge are seeded to depend on the superior man.—Dallas News.

Methods of propagation by budding and grafting, the starting of difficult seeds, the laws by which the increase of many plants is governed, and general botanical knowledge are seeded to depend on the superior man.—Dallas News.

Methods of propagation by budding and grafting, the starting of difficult would not be superior man.—Dallas News.

Methods of propagation by budding and grafting the flowers. Others do not be found therein.—Vick's language.

All the Presidential candidates the found therein.—Vick's language. and spend the summer in transplant ing, weeding, watering and admiring

All the Presidential candidates this year are understood to be in favor of woman suffrage. When the sixteen hamendment was voted upon in the United States Senate in January of last year, Harrison paired in its favor Claveland when he was governor of New York signed several bills giving local franchise to women and said he expected these to lead to full legislation on the subject. The Prohibition and Labor parties have not only nominated candidates who are in favor of woman suffrage, but have also put suffrage, lanks into their platform.
